Amy,

I'm amazed at how many email were waiting for me when I got back (I figured most folks would take most of last week off, but apparently not).

Here are my responses to your questions (as near as I can recall... that's going back in time and I may not have dusted off all of the cobwebs):

Hope that helps. Let me know if you have more questions.

Hi Nelson,

I know you are just getting back into the office after being off last week, but I wanted to get this email back on the top of your list, since this is a time sensitive issue for our team.

The main questions are around if **Ex. 5 Deliberative Process (DP)**

Some things I was trying to confirm was

Thanks,

Hi Nelson,

Our team has a new proposed action for aldicarb that we are working through – **Ex. 5 Deliberative Process (DP)**

I know that you are off this week, but hopefully we can schedule a meeting next week to talk through our questions.
